OFFICIAL PUBLICATION

TWIN FALLS ROTARY CLUB

Club No. 379

District 540

# JUNE

## OUT WITH THE OLD.....IN WITH THE NEW

It's been a year since we saw the last of Dick Boyd in an official capacity. Now, it has been a long, enjoyable year with Tom. Shortly to come we will have our new president, Rich Alexander and his cabinet. They look forward to serving you as officers of the club and hope that you will help out in participation as club member.

## WELCOME BACK AND WELCOME TO THE CLUB

**CHUCK CLIFTON...**Chuck was a previous long time member to the Twin Falls Rotary Club and is back with us again. Chuck is a graduate of B.S.U. He is involved in marketing at Intermountain Gas. His wife's name is Frances and he has three children. His favorite past-time is camping and golf.

**DALE PERKINS...**Dale is a graduate of Cerritos College with a degree in Orthotics/Prosthetics. His wife's name is Peggy. They have two children: Michael 16, and Matt 12. When he's not working at his store, Brownsfield, he likes to do woodworking, fishing and golf.

If you know someone who might enjoy our club ask them. We have many classifications available.

## GROUND BREAKING WAS PHYSICAL

The ground breaking for the fitness trail took place on Friday, June 5th at 3 P.M. President Tom kicked off the affair with thank yous to those that donated money and those that gave or will be giving of their time and equipment. Hard hats and gold plated shovels were handed out to those acclaimed dignitaries to help with the ground breaking. Jackhammers would have been better for the occasion as Donna Stalley tried to turn her shovel into a pogo stick on the hard ground. Saturday, the crews were working away with removing sod on the 2.1 mile trail. The only problem that arose is when the forklift got stuck in some soft ground over by the baseball diamonds. (To be continued)

## BUDGETS FOR 87-88

Committee chairmen need to get their budgets submitted NOW if you want to have funds for next year. Give them to Rich Alexander or a member of the board.

Also, letters of your plans for next year should be submitted by the end of the month to the President (of the Club).

## RUMBLES

If you have information you want in the Rumbles, be sure to get the information to us by the 7th of the month. Contact Kevin Bradshaw, Jim Willis, or Shaun Woolley.

## ATTENDANCE.....BE ACCOUNTED FOR

Part of the requirements of club membership is to be here at least 60% of the time. Sometimes you can't make it, but you can make up. You'll find that making up isn't hard to do, and it's fun. Look in the back of your roster for a list of make up clubs or ask Rich Cook if you are going to be out of town.

## BELIEVE IT OR NOT

 Leon Smith is going to start a Lawn & Hedge Trimming Service  
Kevin Trainer wants to serve a second term as EXchecker Chairman  
L. James Koutnik has purchased gym shorts and sneakers for the fitness trail

## ROAD FISHING REPORT

Final Edition

June 9, 1987

As the Rotary year winds to a close I would like to take this opportunity to thank all Rotarians for your participation and enthusiasm. Your efforts have made this a great year in the Twin Falls Rotary Club. A review of our pre-season goals shows that we did have a successful year.

Club service was once again outstanding. Gary Garnand and program committee did an excellent job. From rocket engine bearings, to Archaeology, to musically inspired dissertations about international trade, we had quite a variety of interesting programs.

The proof of the pudding is that we had very few members leaving early until the weather warmed up and golfing (and road fishing) fever hit. Through the first three quarters Jeff Harris had won two out of three best program awards. Thanks Gary, and the entire program committee.

The Ladies Night committee put on some exceptional functions this year. Charlie Truksa and crew started the first greater non annual barbeque and blow out at Bill Howards home. It was a great idea and a lot of fun. The Christmas party was probably the highlight of the year but the evening out in February with comedians and dancing girls may have been the most fun. Thank you Charlie and committee for your new and innovative ideas.

The Exchequer committee seemed more ruthless than usual this year. My fines for the year totaled \$1,113.78 but I don't plan on paying any of them anyway so what the hell. Bill Miller's stories were always hilarious and Mike Brock won the exchequer of the decade award. Thanks to Kevin Trainor and the entire ex-check committee. When it comes to fun at lunch we are the state of the art.

I would also like to extend a special thank you to Rich Alexander for the best ever Childrens Christmas Party and to Jim and Doris Willis, and Kevin and Irene Bradshaw for all the time, effort, and good humor that they put into the Rotary Rumbles all year long.

And, of course, without the services of our secretary, Rich Cook, and our treasurer, Frank Deluca, this club would probably stop operating altogether. Frank has retired as treasurer but Rich is continuing on. Both of these gentlemen put in a tremendous amount of time on a relatively thankless job and deserve the thanks of all of us.

Our International Service committees have been very active this past year. Aaron Maslaniak, the daughter of Jim & Jan Maslaniak, was our outgoing foreign exchange student. Aaron left for Brazil in August of 1986 and will return in August of 1987. In exchange for Aaron, we welcomed to our club and community Miss Sarojia Satler in February 1987. Sarojia's host families are the Tom Tucker family,

TWIN FALLS IDAHO

Rich and Wanda Cook, and Jim and Jan Maslaniak. We will be sending Cindy Sturtz to Japan in August of 1987, and will be receiving in exchange Asako Kaibori from Japan. Most families are still needed for Asako. Jauy Bailey and his International Youth Committee have done a terrific job of arranging these exchanges and also of coordinating the youth exchange tour which is scheduled to arrive in Twin on July 8th. Thank you Jay and the entire Exchange committee.

Twin Falls Rotary has also been quite active and visible in the community this year. We awarded \$2000. in scholarships to C.S.I., helped the Salvation Army and Magic Valley Rehabilitation during their Christmas fund raisers, and contributed funds to Girl State, Boys State, Interact, Idaho Business Week, our own 7th grade football team, exchange students, Ethiopian Outreach, and board of directors lunches which included blueberry pie but no ice cream. We are also still planning on painting the Senior Citizens Center this month. Actually Jim Fraley is going to paint the center and Dick Boyd is going to recruit some Rotarians who can stay out of Jim's way.

A special thank you needs to be given to the Special Projects Committee. The fitness trail project is the main endeavor of our club this year. It has taken a tremendous amount of time and effort by the special project committee to raise the \$50,000 required to build the trail and a considerable amount of time and effort by the entire club is still needed to complete construction of the project. I remember the looks I got from many members when I announced last August that we would be raising \$35,000 to build a fitness trail. When we announced that the budget had been increased to \$50,000 the looks of astonishment also increased. But as the initial large donations were received it became apparent that the community was enthused about this project and that our lofty goal could be achieved. Not only did we achieve the goal but we had fun doing it. I think it is safe to say that all those who participated in the Rotary fund raising dinner at the Sandpiper had a great time. We have come a long way but there is a long way yet to go. The construction of the exercise stations is going to take a lot of labor. We are hoping for the help of at least 75 Rotarians on the weekend of June 27th & 28th.

We all owe a big thank you to Mike Brock, committee chairman, and to members Franny Florence, Cliff Snyder, Greg Edson, Bill Block, Rich Stivers, Kevin Trainor, Marty McLellan, Jeff Harris, Tom Kolouch, Gary Bond, Ken Deibert, Tim Obenchain, Mark Koffer, and to whoever I may have forgotten.

The Twin Falls Rotary Club is a great organization because it is made up of great members. It has been a pleasure serving as president this past year. Thank you all for your participation and for your vote of confidence in electing me to serve as president.

Sincerely,

*Tom Ashenbrener*
