## Sams' First Words

Surprise, Surprise, Surprise, did Idaho Power get their wires crossed this year!!! They shorted Twin Falls right out of Jack Miller. We'll miss Jack and Joann and all they have contributed to the community.

After Dr. Strawser's roast last week, I wonder why I accepted this position. I didn't realize we had an investigative committee doing back ground checks after one was in office. I thought that was the Membership Committees job for proposed new members. Oh well, anything is fair in politics, hope Roy had a good 4th at Robinson Hole.

This year's theme is, "Enjoy Rotary, " and that is just what we intend to do. We have an action-packed year ahead of us with the Idaho Centennial, Rotary's International Convention in Portland, Oregon June 24-27, 1990 and filling our PolioPlus goal. The goal of Rotary for 89/90 is to get members actively involved in Rotary, serving all 4 services areas: club, vocational, community and international service. Lets each do our part when called on and support the ideals of Rotary.

Thank you for the opportunity to be your President. I will do my best to see that we "Enjoy Rotary."

**Sam Yost**  
President 89/90

## I'm Back

It is with a great apology that I have not produced a Rumbles for you gents and ladies for such a long time. With publishing In-Home Magazine and running my business, and being the club treasurer, I found that my energy level had dwindled down when it came time to produce a monthly bulletin. Now that I have figured out how to manage my time. Here is a **SuperVersion** that hopefully will catch us up to date and delight your brain cells. I'm sure District Governor Jensen has really missed his copy at bedtime.

Carl Snow has asked me to be the publisher again this year for the Rumbles since his efforts turned up 0 for a new editor. I often wonder why somebody from the Times News didn't take on this task, (after all they own a couple typewriters) but after working on a 16 page publication of my own which only is put out every 2 months, I can see why they don't have time.

This coming year I ask for your assistance in helping me produce the Rumbles. I do enjoy putting it together. I now have a spell checker built in this program so John Rosholt will have less chance at picking on me. (Oh I didn't say it was going to be perfect, just better) The Rumbles is not supposed to be a one man job, although it is, but information from different committee members and other Rotarians letting us know what is going on in and around the Rotary Circle. Your help would make things run smoother.

I am pleased to have with me this year, the help of **Wendell Petty** and **Bill Miller** who will help relay all the news that is fit, or even unfit, to print. One of our goals is to inform you about what is going on in District 540. I would have this past year but it seems the District Governor took me off his mailing list. Also **Tom Mikesell**, will be providing us with pictures thanks to his business (**50 Minute photo**) I will be incorporating a new look into the Rumbles for my renewed interest. I want to make it interesting and enjoyable to read. Maybe we'll even go for the award that is presented every year at the District Conference for the "Best Monthly Bulletin."

If you have a story, editorial, antidote or announcement, write it up or call me (I prefer you write it up), then get the information to me. I'll do the rest. I might even add my 2¢ worth. This up coming year I hope to keep you informed and amused.

*Kevin Bradshaw*

## Strawasers' Last Words

I can't believe that the year has passed so quickly and that it is no longer necessary to be at "The ready" each week. I enjoyed the year - I hope you did too.

We did a lot of good things that we can be proud of. Well, Rotary is an organization that we can all be proud of - - with it's high ideals and constant efforts to help right what's wrong with the world.

One of our primary goals is to provide leadership and resources and to promote understanding and good will to youth. We have not done a good job here. As a matter of fact, with the exception of providing some scholarship money and hosting the Essex tour, our participation with youth has been pitiful. It seems to me that we could and should do much better!

I urge you all to help reinstate such programs as International Youth Exchange, Interact, and Roteract.

Everyone gains from association with youth. Why don't we get our get feet and try it. We might like it.

*Roy Strawser*

## F.Y.I.

If you remember a poll that we took awhile back regarding when Ladies Night functions should be held, these are the results:

Total of 80 forms were filled out. While 80 forms out of 115 people that day were filled out, (I guess some people didn't want to get involved or their neighbor wouldn't let them borrow a pen.) you may notice that there are not a total of 80 responses on each answer. Some answers were answered more than one time as required. So many times the questionnaire had a couple items circled on one answer and other items were left blank. On the music question we saw 2 and 3 answers on many that were filled out.

How many events should the Ladies Night Committee put on each year?

1 - 3      2 - 20      3 - 29      4 - 11      Ave. 2.7%

Besides the Christmas Party what other times would you like to attend functions?

Feb -9, March -27, June -22, July - 23, August- 0, September- 0

What is an appropriate amount for your budget for spending on Ladies Night?

\$10 - 3, \$15 - 14, \$20 - 24, \$25 - 21

Would you like to see more of some of the functions that we have had in the past?

**Dilettante Night** - 31, **Home Hospitality** - 30, **Sweethearts Ball** - 12, **Bass Lake** 44

If we had a Home Hospitality would you act as host? **Yes** - 28, **No** - 33

Do you like to have dances or bands at the functions? **Yes** - 53, **No** - 8

If yes, what type of music do you like?

**Old Fogies**(Teasley Band, Glen Miller) 29, **Heavy Metal**(Lead Zeplin, AC/DC)3, **Rock & Roll**(Beach Boys, Beatles) **Soft Rock**(James Taylor, Paul Simon, Diana Ross) 13, **Disc Jockey on Wheels** (Good Mixture of all Types) 24, (Oopps Write in, **Country** - 3)

The 3 for Heavy Metal were Rick Carr, Leon Smith and Harry Turner

## Apology Sent to Rotary Club

*The following was sent to the Rotary club on March 18, 1989.*

Please accept my sincere apologies for not writing this letter long before now. It would be difficult for me to accept my diploma in good conscience if my appreciation for all that you have done in helping me complete this past year at CSI had been left unexpressed.

The decision to go back to school was a difficult one to make, knowing what would be given up or postponed for two years. It was, however, one of the wisest choices I could have made at this time of my life. Because of your generosity and ability to help students, others will be returning to school to improve their education and ultimately their position in the community.

Once again I want to express my sincere appreciation for all that you have done to help me as a result of your scholarship.

Yours truly  
Judy E. Morgan

Dear Mr. Bradshaw,

I would like to thank you for selecting me as a Rotary Scholarship recipient. I did well this semester with a 3.28 and hope to do better this next one. I wanted to let you know how much your effort was appreciated. Thanks Again. Yours sincerely, Shani Cummins.

*The Twin Falls Rotary Club donates \$1,000 per semester. That \$1000 helps 10 students towards fees that will make a difference in their lives.*

## **Rotary Helps Support a Dog That Loves to Find Drugs**

Back in February of this year, The Board was approached by Roland L. Gardner of The American Legion, Twin Falls Post No. 7. Roland was campaigning on behalf of the American legion to help the Interagency Drug Task Force of the Magic Valley to acquire a canine that is trained in detecting contraband. Dogs to be more specific. The dog cost \$2500. Roland had already received many donations from around the Magic Valley. He needed \$225.00. Approved by the board, our club completed the funds to make the sale.

The dog, which will be in the care of **Twin Falls County Sheriff's Deputy Patrick Touchette**, can sniff out five different kinds of drugs normally found in our community. Pat flew to Kansas to learn to work with the dog and learned how to use the dog to its full potential.

Roland sent a letter of appreciation for the support from the club and thanks all of you who helped make it possible.

*Now if we could train a dog to find golf balls lost in the rough, I believe we could make a fortune and save a bundle.*

Your never too far away to make up a meeting from your home club. Just to prove it, Tim Obenchain attended a Rotary meeting at the Rotary Club of Kowloon Golden Mile. Tim will have a special report on exactly what was said at the club in an up coming meeting.

Tim will also be credit \$4.00 on his next quarterly statement.

# ROCK CREEK PARK PROJECT

By: Mike Brock

Mike Brock

The **Special Projects Committee** within our club is dedicated to projects that benefit everyone in the community, not just a special interest group. The last two years fund raising efforts created by this committee have raised over \$70,000, thus funding the Fitness Trail on the CSI campus and the Tourist Information Center at the Perrine Bridge.

This 1988-89 year the committee decided to tackle a project that didn't involve money but instead volunteer labor. It was also decided to get other service clubs involved in the project so that an impact would be felt, and some fellowship established. After several meetings with representatives of each service club and city officials, Rock Creek was chosen as the target. The area involved is all city property and extends from the Singing Bridge downstream to Daydream Ranch (probably over 2 miles of canyon.) The goal of the project was to clean out all the garbage in this area and allow the area to attain it's natural beauty.

The first few work days were spent pulling debris out of Rock Creek itself. Because of spring runoff there were probably a few items missed which we will retrieve in the fall. The latter work days of the project were spent picking up garbage along the creek banks and canyon walls. The May 20th clean-up day was by far the most productive day because of the large number of volunteers that showed up. The project was pretty much completed by 2:00 that afternoon.

Of course there are many more projects that could be developed in this scenic stretch of our city, but getting the garbage out was priority "1". We've accomplished that and the canyon looks much better. All participants should be proud of their efforts.

## More Next Issue

### Streak Fry Was Fun

The last party for 1988-89 Rotary year was held on June 30th, I will have more on that with pictures next Rumbles. Plus revealing photos. But speaking of great fun and being with friends, I heard Rich Cook say that we will be having Home Hospitality this up coming year. Yeah! More on that in the next issue too. next issue.

### Reports Due

Speaking of the up coming year. Committee chairmen, please have your reports turned in soon for the District Governor William Forney and his wife Mary, who will be coming this way in August. (Don't copy the examples, be creative, Make up a good line.)

### Past President Alexander Appointed Tough Job

Past President Rich Alexander, (you know, the guy that gets the balloons at lunch time) will be an area Representative for District Governor Forney. More in the next issue. (Offered free dental work for the position)

### Essex Tour Here and Gone

Jay Bailey and his hard working committee pulled off the Essex Tour again this year. Please express your thanks to him for his dedicated efforts. More Next Issue (Pictures and all)

*We need a historian. I have asked in the past but nobody seems to want to take on the responsibility. Oh please take pity on us all and get involved. We'll be forever in your debt if you would take on this easy task. Find out more by contacting, Rich Cook Or me (Kevin Bradshaw).*

## Have You Met the Latest ••••

He is a member of the Elks, too. He is married to Mary Lu and they have two boys. He knows Warren Barry best and was also sponsored by Warren. (Do you like singing Gordon?)

### **JOHN HURLEY** - Classified Professor of Economics

John has been a member of our club before but had to resign for awhile because he was teaching the President about economics. Now that we have a new President he is back with us. He likes Racquetball and Fly fishing. If you would like a 2nd opinion on John, ask resident poet Roy Strawser.

**LAWERENCE FLOURNOY** - Classified Finance-Agricultural

Born in Alhambra, CA on November 11, 1957. Lawrence graduate from the University of California at Davis with a B.S. in Animal Science. (Very helpful in banking) His favorite sport is skiing and riding. He is also a member of the Blue Lakes Country Club. He has been married to Tina since 1983. He knows Marty McClellan very well and was sponsored by Phil Ioset (pronounced Yo-zhet)

**DERICK PICA** - Classified Attorney

Born in Kalamazoo, Michigan on July 26, 1961. Derick has transferred from the Blue Lakes Rotary Club. (1. Because he was tired of eating eggs every week?, 2. He didn't like getting up early?, 3. He can get a ride from his partner Rob Paine?) He graduated from the University of Utah with a Juris Doctorate in 1986. He has also been an associate at the firm Benoit, Alexander and Sinclair. He likes to hunt. His father is Rotarian Dr. Don Pica. Derek is married to Julia and they have 2 young children (boy and girl)

**DAVID A. PUGH (Pew)** Classified NATIONAL PARK SERVICE

Born in Van Nuys, CA on January 5, 1942. He graduated from Ohio State University and Stanford University. He owns the National Forest... No, no he is the superintendent for the National Park Service. David has been with them since 1970. He likes the great outdoors. He has been married to his wife, Jenne since 1966 and has three kids; F-16, F-13, M-21 (Sounds like Military terms) Sponsored by Ron Stoleson. And he has already given us an insightful program on the day of his induction.

**DOUG SHARP** Classified MALL RETAIL MANAGER

Born in MT. Pleasant MI on December 31, 1950 (He must really celebrate his birthday every year). He graduated from University of Washington with a B.S. in Pharmacy. But now he is the General Manager of the Bon Marche'. His favorite sport is fly fishing and Racquette ball. He also likes to do some fly tying. (How you get a rope around their legs I'll never figure out.) He's been married since 1981 to Joanne and they have a daughter, Casey Lynn, age 5. Sponsored by Bob Thomas.

**DONNA BACH** Classified ANOTHER REAL ESTATE PERSON

Born in Gooding, Idaho on May 26, 1935. She graduated from UCLA with a degree in management. Long time friend of the late L. James Koutnik and partner of Coldwell Banker-Western Realty, she is now the sole owner. She has been in the Business Since 1976. She is the 2nd woman member of the Twin Falls Rotary Club. She is also a member of the International Training in Communication (ITC) (*Never heard of it which shows that their communication is not quite what it could be.*) (Good idea for a program) She likes to golf and swim and enjoys traveling. Many of us know Donna, some better than others, like Marylu Jenó, Todd Blass, Randy Anderson and Ted Smith. She has 5 children. Sponsored by Marylu Jenó.

**We're Looking for a Few Good Men ....and Women!**

We have lost some of our Rotary brothers and sisters due to their prior commitments and what have you. Stop and take a moment to think if there is someone you think would enjoy Rotary. Remember someone took the time to invite you.

**YOUR LIFE!**

## Special Report *Continued from page 5*

100% attendance awards should be given to Tom Mikesell, Greg Edson and Mike Brock of Rotary and Bruce Barton of the Jaycees. Mr. Edson should be commended for his "frogman" abilities and courage braving the cold March water of Rock Creek. Mr. Mikesell should receive special commendation for his management of the project from start to finish. He organized work details, equipment arrival at the site, doughnuts and coffee in the morning, prizes given out, etc. etc. Tom and Bruce Barton were the main project coordinators and it wouldn't have gotten done without them.

## Rotarian Made Paul Harris Fellow

Among the many new **Paul Harris Fellows** announced this year, Rotarian **Tim Qualls** had the honor bestowed upon him by our club. Tim was a sustaining member, when the Board decided unanimously to use designated District dues to complete his goal of \$1000.00.

At the time of the presentation, Rich Cook, Club Secretary, was making the formal announcement. Unbeknownst to him, Tim was conferring with others at his table that he had received a confirmation and a congratulatory in the mail that he was a new Paul Harris Fellow, but he knows he didn't send them any money.

Tim was talking away while Rich was saying all the good things that you say in ceremonial occasions. Dumbfounded when Rich asked Tim to come up and accept the award, Tim was unable to give a speech. It's was kind of like having your tongue caught between the firing pin and the barrel.

*Congratulations Tim!*

Congratulations to these other fine Rotarians who donated **\$1000** to **Rotary Foundation**. They have all become Paul Harris Fellows within the last 3 months.

**Armour Anderson**  
**Dan Obenchain**  
**Ross Prather**

A special note about Ross Prather's donation. Part of his contribution was contributed by his employer MONY. They matched some of his funds. Does the place you work for offer matching funds.

### **PORTLAND ANYONE?**

In the June issue of "The Rotarian", it is reported that Rotary International's 1990 convention will be in Portland, Oregon. Held in May, you will have a once in a life time chance to experience this huge assembly of people for such a small price. The last convention was in Soul and the one scheduled for 1991 is somewhere in Europe. Now's the time to plan. In fact you should make reservations now. If you want first hand knowledge of a convention, ask Tom *Ashenbrenner*. He attended the one in Kansas a few years ago.

(MORE NEXT ISSUE ON WHAT WE WILL DO AS A CLUB)

A recent copy of "Jests from Jim", Rotarian Jim Higgins' mail out had this amusing quote

**"If it weren't for golf courses we'd never be able to find a doctor".**

**A married man learns to resolve may problems, many of which he wouldn't have had if he hadn't been married**

Our friend Warren Barry, (Man of Song) enjoys leading us in song with "R-O-T-A-R-Y". Now, he seems to think that some of us younger members, as well as older Rotarians know the words to this song. Some do and some don't. Here is a copy of the song that you can put in your wallet when Warren doesn't pass out the books or when you just want to sing a happy song while driving down the road:

R-O-T-A-R-Y. That spells Rotary;  
 R-O-T-A-R-Y is known on land and sea;  
 From North to South, from East to West,  
 He profits most who serves the best;  
 R-O-T-A-R-Y That spells Rotary.

R-O-T-A-R-Y. That spells Rotary;  
 R-O-T-A-R-Y is one great family;  
 Where friendship binds for man's uplift,  
 Where each one strives his best to give,  
 R-O-T-A-R-Y that spells Rotary.

**THE SWAN SONG AND OTHER GREAT RHYMES ARE NOW AVAILABLE**

If you were at the roast of **Dr. Strawser** or you missed the meeting and would like to have a good laugh every once in a while, or would like to have a few memories of President Roy's term in office, the tape & booklet depicting some of the highlights of this historic moments is available for a small fee of \$9.99. All proceeds go to the Rotary Foundation.

Yes if you liked the amusing limericks and rhymes of President Roy when it came to introducing the Ex-checkers last year, we will be printing the whole series in booklet form and throwing in the live recording of the Dr. Roy's roast.

Order today by filling out the order form and include your check for \$9.99. Make payable to The Twin Falls Rotary Club. All proceeds will go towards PolioPlus. Allow 2 to 3 weeks delivery.

Name \_\_\_\_\_ would like \_\_\_\_\_ set of the book and tape of President Roy's great collection of rhymes and the cassette tape for only \$9.99 per set.

**Did You Know?**

Did you know that the Buhl Club has not had an evening meeting in the last 30 years and that Ted Pence is the secretary of the Buhl Club. I was informed of this awhile back by a member who kept seeing this information on the back of the Rumbles .

## Charlie or Charlotte?

Bob Seibel sent a birthday card to Charlie Watt which was very nice. But Bob should address the envelope himself as opposed to his secretary. It was addressed *Charlotte Watt*.

## Petty Gloats

When Wendell Petty headed for the south earlier this year he dropped me a note with his dues.

Dear Kevin,

Miss you guys in Rotary. Temps in the 70's here in Mesa, AZ. We are swimming, golfing, attending sporting events. It's rough, but I guess somebody has to do it. See you all in

March,

As ever Wendell.

## ODE TO OLD BY WENDELL PETTY

The first mile post on the rocky senile road to fame  
Comes when you meet a friend and can't remember his name.

The second noted marker on the rough downhill race  
Comes when you're greeted and you can't remember the face.

The third is when you return to the social group feeling chipper,  
And your wife demurely notes you forgot to sip up your zipper.

The fourth and saddest is when you return with a frustrated frown  
And in wet socks and soaked shoes, having forgotten to zip it down!

## Fitness Trail Is Being Used

I am happy to report to you that the fitness trail is being used. It's being used by young and old. I even pass fellow Rotarians out there enjoying the smell of the grass, trees and the sound of the stream.

Some people are really going for hard exercises while others just take a leisurely walk with a friend and talk. Others like **Dick Brizee** have on their "Walkman" listening to the music from BSU.

**Charlie Watt** and **Jim Kinney** provided a place for you to sit and rest along the way if you get too tired

It would be nice if they put more redwood chips on the trail. And, if the sprinklers would come on after dark as opposed to the daylight hours. All in all, Twin Falls has a nice place to regroup, get healthy and feel good.
