ROTARY INTERNATIONAL THEME
1992-1993

District Governor Comes From Your Home Town

Past President and long time Rotarian, Warren Barry is this years District Governor for District 5400. His job entails speaking to all 39 clubs by October 19th. His goals this year are simple yet important. Below are his words taken from the District Governor's newsletter.

We are living in rapidly changing times but this only provides greater opportunities for all Rotarians to meet the challenge for service as the world around us changes.

R.I. President Clifford L. Dochterman has taken the position there will be no new programs for the 92-93 year. He encourages all Rotarians to be on the lookout for bright young business and professional leaders...men and women alike, and invite them to visit and consider belonging to your Rotary Club.

In addition to a 10% membership growth as one of our goals, the other two include a participation of at least 10% of your membership at the District Conferences which will be in Sun Valley on June 11-13, 1993 and your serious consideration of participating in a "Literacy Program" as facilitators to help bring the 12% of your community out of the darkness of not being able to adequately read or write.

District 5400 "stands tall" in our Rotary Foundation Support thanks to the efforts of Past District Governor Raymond Pullen who left a very large pair of shoes to fill. We greatly appreciate the assistance and dedication of Ray and Joan Pullen as they lived out their year's theme, "Look beyond yourself".

Your District Governor and his wife, Alma, would like to remind you that we are here to serve you as we apply this years theme which is really what Rotary means, "Real Happiness is Helping Others".

Yours in Rotary, Warren Barry

Centennial Park Dedication 9/19/92
Help!

Club Assembly 8/25/92

The annual Club Assembly will be held on August 25th, 1992. This meeting with District Governor Warren Barry is a must for Committee Chairman or representatives of. Please have your reports in regarding your objectives for the up coming Rotary Year.

The meeting will be at the Canyon Springs at 7:30pm in the meeting room.

Real Happiness is Helping Others

Let's Keep Rotary Strong

What better way to start the new Rotary year than by working to expand our horizon? August is **Rotary Membership Extension Month**. Make an extra effort to reach out to members of our community who would add to the dynamic make-up of our club.

The 1991-92 Rotary year saw a significant growth rate, with 10 new countries and geographical regions added to the Rotary roster as of May 15. We need to help Rotary continue to flourish by doing our part to increase membership.

Centennial Park Moves Closer to Dedication

The Centennial Park Committee is working on it's final stages of dedicating the park. On September 19, 1992 we are planning a Grand Celebration to mark the occasion. YOUR HELP IS NEEDED to participate in this final function. Additional fund raising will require Rotarians to participate. Flipping hamburgers, selling pop and candy. There will be a sign-up sheet at the next meeting for you.

You can reach Mike Brock at 734-7000 or hm 734-4336 to offer your services or ideas. Don't wait to be asked. Volunteer!

Chamber and Rotary Raised \$\$\$

On Wednesday August 8th, **President Ron Belliston** presented a check to **Kent Just** for \$3,000. That represents their portion of the proceeds of the Donkey drop tickets sold last spring. Their monies will go towards payment of the bathrooms at the Visitor center. Our \$3,000 will be used toward Centennial Parks.

Did you know???

The number of women in Rotary now is estimated at 37,000. Reports at the beginning of 1992 showed more than 32,000 women Rotarians in North America, more than 125 in Africa, 2,500 in Asia, 1,200 in Europe, 800 in Latin America and 525 in Australia, Fiji and New Zealand.

Old Proverb - Man saying it cannot be done should not interrupt man doing it.

Rosters Are Here

The Club Rosters are finally out. **Rich Cook** and his committee have done another fine job of getting it together. This years Roster has some new features such as the year that the Board of Directors started serving there sentence, I mean time. Increased number of Paul Harris Fellows on Page 2. See if you can guess which ones. There are several new members in this issue. In the back of the Roster are committee Assignments. Check to see what you are doing. Also, some nearby clubs are listed for make-ups.(page 37). **Sam Yost** lost his last place standing to new member **Philip Younger**. Be sure and check out the picture of **Tom Moore**. Voted best sign painter and talker by the NASPBS (National Association of Sign Painters and BS'rs. Roster Committee members include **Cam Meyer, Tom Mikesell, Dick Shotwell, Dale Riedesel**.

It's a good idea to learn from other people's mistakes, since you will never have time to make them all yourself. --

----club bulletin

Picnic Is Planned At Bass Lake

Our annual picnic is planned for Bass Lake at the BLCC. All those wishing to attend will be asked in the next week or so if you wish to participate. The meal served will be Gourmet Hamburgers. Sweet Corn, delicious beans, green salad with your favorite dressing and heavenly dessert all for \$10.00

a person. A golf scramble will take place earlier in the day at 1pm. You will need to provide your handicap and random team assignments. Awards will be given.

The cost for non-members is \$15 plus \$8. for a cart.. For more details contact **Debbie Heterington**, Androgynous Night Committee. Don't forget to bring your old golf club and dinged up balls to hit off the dock. Winner gets a buck.

The Four-Way Test

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS
4. Will it be BENEFICIAL to all concerned?

Club Secretary Does Double Duty as District Secretary

Many of you know our club Club Secretary **H. Richard Cook** (Not to be confused with **Richard J. Cook**) Each of you greet him each week at the door as he sits taking roll. this year he has taken on the roll(No pun intended) as the District Secretary for Warren Barry. For those of you that sneak in the back door of the Turf Club, a picture has been included above to familiarize his face. Included in this months bulletin is a brief outline of Rich's career.

H. Richard Cook was born and reared in Twin Falls, Idaho. In 1961 he entered Idaho State University and graduated in 1966 with a Bachelor of Science degree in General Business.

After working for the Idaho Department of Finance in Bank Examination he moved to Salt Lake City where he was employed by Walker Bank. This is where he met and married **Wanda**. In 1971 the family moved to Boise, Idaho where Richard was a Trust Officer with the Bank of Idaho. In 1974 the opportunity came to move back to Twin Falls and join his father in the insurance business.

In 1981, Richard purchased his fathers(**Harvey Cook**, Rotarian) insurance agency, and in 1982 merged with Hamilton Insurance and Assoc. where he has been a producer. He is currently the Commercial Department manager in placing commercial insurance for the agency clients. Richard joined Rotary in December 1974 taking over his fathers classification of Fire Insurance. He worked on numerous committees, and in 1976 became the assistant secretary, After two years he became the club secretary and is the current club secretary.

Richard and Wanda have three children and one grandchild. He enjoys teaching ballroom dancing; playing the French Horn in the Magic Valley Symphony and the City Band; plays golf, and is a Rotary Paul Harris Fellow

Rich is the first one to use a computer at the District level also. This year he will be instrumental in creating a Data base of over 2400 Rotarians

Little Known And Seemingly Unimportant Facts About Rotary

Bringing in a new member isn't the easiest thing to do and it should be, but Rotary International has some strange ideas on the subject. The Procedure is as follows:

Don't introduce your guest as a prospective member. Sometimes they don't want to join and other times they might not be able to and the "you're in like Flynn" approach might backfire. The best way of developing a new member is to bring him or her to the club several times. If he or she indicates an interest, get a membership card form the secretary, but don't say anything to the prospect.

After you fill out the application, return it to the club secretary who will get it to the Board of Directors, who will then pass it on to the classification Committee who will then pass it on to the Classification Committee who will, if there is an opening, give it to the Membership Committee, who will investigate the candidate, and if they approve, will return it to the Board for their vote. If favorable, you will get another card from the secretary. This card requests the signature of the individual. At that time, you can ask the prospect if he or she wishes to join our club. If yes, the prospect signs the card, which authorizes the release of a 10-day letter advising the membership of the candidacy for membership.

If the 10 day letter does not develop any objections, then he or she becomes a member. If there are objections, the Board reviews them and takes another vote. If no more than 2 directors vote against the applicant, he or she becomes a member and the proposer is requested to bring the prospect to next meeting for an informal introduction.

Give us your hot news stories for the next issue of the Rumbles. Please let the club know what your committee is doing. Editorials are welcome too. Contact any member of the committee on the back of this bulletin or Fax them to 733-0075

How Can We Serve Our Community?

Now is the time to shape the course our club follows this Rotary year. What projects can we take on?

What issues can we face that no one else has addressed? What groups can we help that have been neglected? We must look around ourselves and determine how we as an influential voice, can make our community a better place to live.
