RAFFLE WINNERS

Dr. Warner donated his winnings to PolioPlus on July 6th
 At the July 13th meeting, the winner was anonymous, but only
 because he left early.
 Gene Sturgill won on August 10 and donated his winnings.

PRESIDENT ROY SINGS

LAST JUNE, MARY AND I ATTENDED THE LARGEST AND POSSIBLY OUR BEST CONVENTION EVER, THE ROTARY INTERNATIONAL CONVENTION IN PHILADELPHIA.

OVER 20,000 PEOPLE FROM THROUGHOUT THE FREE WORLD WERE IN ATTENDANCE. THE ORATORY WAS STIRRING AND THE ENTERTAINMENT WAS EXCELLENT.

NEVER HAVE I FELT THE RESOLVE OF PEOPLE TO FELLOWSHIP AND SERVICE MORE KEENLY THAN IN THIS GATHERING.

MANY GROWN MEN, INCLUDING MYSELF, WEPT OPENLY AS GROUP AFTER GROUP OF CHILDREN, CRIPPLED WITH POLIO, PERFORMED IN TRIBUTE TO ROTARY'S EFFORTS TO ERADICATE THE DISEASE.

IT WAS AN INSPIRATIONAL TIME. I WISH ALL OF YOU COULD HAVE BEEN THERE. THERE WOULD HAVE BEEN NO QUESTION AS TO THE RAISING OF OUR LOCAL QUOTA.

THE STORY OF THE CONVENTION HAS BEEN WRITTEN IN OUR ROTARY MAGAZINE SO I WON'T GO INTO ANY FURTHER DETAIL. I DO WANT TO THANK ALL OF YOU FOR GIVING ME THE CHANCE TO OBSERVE AT FIRST HAND WHAT A GREAT ORGANIZATION LIKE ROTARY CAN DO TO PROMOTE WORLD PEACE, ESTABLISH WORLD FELLOWSHIP, ADVANCE INTERNATIONAL UNDERSTANDING, AND PROVIDE FOR HUMANITARIAN CAUSES.

I'M MUCH PROUDER NOW OF BEING A ROTARIAN THAN BEFORE I WENT. I ONLY WISH THAT EACH OF YOU COULD EXPERIENCE THE SAME UPLIFT OF SPIRIT.

OUR'S IS A GREAT ORGANIZATION AND YOU GET A PIECE OF THAT SPIRIT WHEN YOU FOLLOW THIS YEAR'S THEME -

"PUT LIFE INTO ROTARY -
YOUR LIFE!"

WHAT DOES IT MEAN TO BE A ROTARIAN?
TAKEN FROM THE GOVERNORS NEWS LETTER

Rotarians who fully understand the meaning of Rotary and being a Rotarian generally are the men who contribute most to the ongoing life and actions of a club and enjoy it most.

When was the last time, at a weekly meeting, that you sat next to a person you do not know very well?

Have you proposed someone for membership recently? Have you ever proposed a new member?

Do you share your club bulletin with your family? Is your family and your company benefitting from your Rotary membership?

QUOTES OF THE MONTH

Todd Blass was up to introduce the guest of our club and the first member to be announced was a Rotarian from Pennsylvania. The visiting Rotarian had a flag to exchange with President Roy. Roy being some what excited and new to the podium started to continue on with the program after receieving the flag but before Todd had fisinished introducing the guest.

Todd being new to speak at the podium said " It's my first time up here and I've got competition."

Buzz Langdon was awarded a sprecial plaque for area coordinator on PolioPlus. The award was presented by Earl Haroldsen. Buzz graciously accepted the award with the comment that "Do you know how much trouble it is to act like, and look like Earl Haroldsen."

The Essex Tour was a great success again thanks to Jay Bailey, and his helpers that called, called & called. Gary Koutnik estimated that he spent 3 days time in calling.

The last youngster was placed at the drop off.

The busses arrived early. About 3pm and as you know the kids didn't stop for lunch, that made them more hungrier than a bear.

We had the pleasure this year of getting together at Bill & Jolene Spencers house along with Bill & Lynn MaGuire and Bud and Maureen William's. Their we had Hamburegers on the Bar B-Q with head chef Bill S. and Jolene slaving over a stove and cutting board.

After chowing down and we all did, we had Maureen and Bud head up the Volleyball game. The team I was on lost 4 out of 5 games. But we had all short people on the team.

Not much time for laundry and showers but we managed. Out the door at 7:10 and to the busses. I left them at the stop before the busses arrived to go back home and find a clock they left behind. Back again to try and find my student.

What a great time. Thanks Jay for all your help. Next year try to get them here for the the 4th of July. We could show them really good time.

Russia Trip with Andy O'Crowley

The program with Andy O'Crowley was a great program even if we didn't have slides. He had some interesting comments of his trip to Russia. It was a informative understanding of Russian Life. The Youth Ambassador Group developed friendships fast and easily with the Russian people. It goes to show that kids have less prejudice and can even overlook differences of opinions. Peace is on everybodys mind.

LETTERS OF THANKS

Recently the Twin Falls Rotary Club sponsored two young adults at Idaho Business Week. We received a letter of appreciation from both them...

I would like to take this time to express my appreciation for sponsoring me in the Idaho Business Week program. During the course of this intense week, I was involved in many activities ranging from competitive marketing, to a simulated computer management decision-making game. Also, I was exposed to many informative speakers, covering topics on starting a business, to finding and obtaining that first job.

In short, I sincerely had one of the best weeks of my life. Thank you for this opportunity and contribution to my education.

Sincerely,
Mike Buscher

My name is Steve Cilley. You sponsored me for Business Week 1988. I would like to send my sincere thanks to you for sponsoring me and letting me come.

I met wonderful new people and made special friends I will remember forever. This has been the best camp I have ever been to and the best week of my life.

I have learned many things this week and know that these will help me in life. I learned more about Law and Politics, the field of employment I would like to enter, and found that there is a lot of hard work and dedication involved. I also had the honor of being CEO of my company.

I will be a senior at Twin Falls High School and I am signing up for a chance at Junior Advisor next year.

Again, thank you very much.

Sincerely
Steve Cilley.

RATING PAST PROGRAMS

Many of the programs have been interesting and of good quality. I am sure that many of you have an opinion of your favorite ones.

The best of these I am sure, you'll agree was Walt Minnick from Trus Joist. A Company with great qualities. We hope that their projection of continued growth in the Magic Valley is right on track.

The worst of the programs (nothing personal against the man himself) was Jerry Lindholm on the geological survey. His program was firmly inbedded to his strata, but at 1PM everything went to baphsalt. At 1:15 many of us were ready to hit him with some 30,000 year old magma.

NEW PAUL HARRIS FELLOWS

Recently we have seen many contributions to the PolioPlus Drive. Through the donations of others and matching funds we have more Paul Harris Fellows. A Paul Harris is a person that has contributed a \$1000 or more to the Rotary Foundation.

Jean Celik was given a Paul Harris Fellowship, by our club, in honor of her late husband and club member, Joe Celik.

Jack Miller and Cliff Snider recently completed their \$1000 goal with the help of matching funds donated to the District by the Idaho Falls Club.

There are others that have completed their goals and will be presented with their award at future club meetings.

Congratulations to all that have donated to the Rotary Foundation.

THEY'RE OUT...HE'S IN

We have lost (resigned) a couple of members in our club recently in case you didn't hear.

JIM WILLIS RANDY HANSEN

Our newest member was inducted on July 27th, 1988.

KEN EDMUNDS...Ken is the Financial Manager of Neilsen and Company, and Cactus Pete's. Ken was born in Toppenish, Washington. He graduated from Brigham Young University with a Masters of Accounting Degree. Prior to his present employment he was with Price-Waterhouse, tabulating votes for the Oscar Awards. He is a member of the Jackpot Lions Club in Nevada. His favorite sport is running and he likes to work on sports cars. He knows Kent Taylor and Jon (Sing A-long) Shindurling best in the club.

Welcome to Rotary.

Now is a good time to get someone you know involved in Rotary. If you have a friend or an associate that is not involved in a service club and you know that they follow the four way test, then invite them to lunch. Let them decide if they would like to be involved. They'll be glad you did.

JOE CILEK AUCTION
GREAT BUYS, TOO FEW PARTICIPANTS

The auction was held Friday the 15th of July. It started late because the auctioneer waited more people from businesses and stores to show up after the shops closed.

Some great buys were had and some great merchandise was donated. They raised over \$3000 for the Joe Celik Scholarship.

The majority of purchasers were ROTARIANS! The prices went higher in most cases than the retail value. Unfortunately it would have been more competitive bidding if more people had showed up. Total audience was 50 -75.

Artwork was the main purchases that day. John Rosholt purchased a picture or two. L James bought four different paintings, some deffinitely to high of price. Top was \$12.50 for one. I think he purchased them just to move on to the next item.

Dick Irwin and his wife JoAnn bought a BAR B-Q cooker/grill A nice buy too. Also 6-10lb bags of sugar at \$7 a bag. Then he turned around and gave them up to sell again which they went for \$6.50 and \$5.00 each.

Dick Brizee bought some books at half of retail and bought some bookends later in the auction. His, wife, Donna bought a radar detector right in front of the Twin Falls Police.

Also, if you have an auction to invite Dick because he'll bid against himself.

John Bingham bought some 40 channel CB's for around the hospital. Breaker, Breaker code Blue.

Thad Scholes purchased a few hams, 3 boxes of potatoes and some jewelry and a dinner for two at a restaurant and a \$10 ice chest for \$30. Business must be good.

I purchased some sugar and a dinner down at Cactus Pete's. I have everything else that was being offered.

THANKS FOR THE SUPPORT

I WOULD LIKE TO TAKE THIS OPPORTUNITY TO THANK ALL OF THE ROTARY MEMBERS AND THEIR FAMILIES WHO PARTICIPATED IN HOUSING THE EXCHANGE STUDENTS ON THE "RORATY TOUR USA" A SPECIAL THANKS GOES OUT TO THOSE MEMBERS WHO WENT OUT OF THEIR WAY TO FIND HOMES FOR THOSE STUDENTS OUTSIDE THE CLUB. WE REALLY APPRECIATE YOUR HELP.

A PERSONAL THANKS GOES OUT TO EACH OF THE COMMITTEE MEMBERS WHO SPENT MANY HOURS ON THE PHONE PLACING THESE STUDENTS. JULES HARRISON, GREG EDSON, TODD BLASS, BILL MORTON, GARY KOUTNIK, RICH COOK, AND ALLAN HORNER--

THANKS FOR ALL YOUR HARD WORK AND SUPPORT : A JOB WELL DONE!
