

Rotary Club of Twin Falls Foundation, Inc.

Request for financial assistance

The Rotary Club of Twin Falls (Rotary) holds annual fundraisers each year so it may be able to offer assistance to non-profit organizations (501 C 3) that strive to improve the Twin Falls Community. It focuses on funding specific projects rather than an organization's operating, travel, or start-up expenses, events, donated funds, scholarships, or sponsorships. Maximum grant amount for this round per organization is \$1000

The following criteria are used to determine which projects it will fund:

1. Applicants must have a 501 C 3 designation and provide its EIN number;
2. Rotary provides funding for projects that will help multiple people or the community at large;
3. Funds must be used for projects which will improve the Twin Falls Community;
4. List other fund requests that have been submitted for the same project. Include who is funding the project, the amount requested, and when a decision to fund is expected;
5. Rotary funds must be used for a project to be completed in the near future. Funds cannot be used for already completed projects;
6. Organizations that have received funding in the past 15 months will not be considered for funding in this round;
7. If possible, please include acknowledgement of Rotary in any signage or promotion of this project. If a logo is needed, Rotary will provide one.

Applications will be accepted between September 21st and October 31st from the Ice Cream Funday funds. Disbursements are made in January 2027 (To Be Determined).
