Many thanks to **Anchor Bistro Bar and Grill** for sponsoring the water station on the Frontier Bathroom Project. This water station is attached to the outside of the the wall on the patio side of the restroom. It offers a water drinking fountain, a bottle filler and a water fountain for pets. Current water fountain conditions at the bathroom is non functioning. This will be a great asset to the bathroom. Thank you.

Club Raises \$5,030 for District Raffle

Great job in helping sell raffle tickets for District Raffle. The total is near the top of some previous years' sales. The club will get a 25% rebate back. The other proceeds will go towards Youth Programs in the District and District Grants. The club could apply for grants for specific projects and access even more of the dollars raised. Good luck to all that purchased a chance at some of the great prizes.

Committees Defined

If you need a better understanding of the committees to sign up for, below is an explanation of all current committees. Members are expected to sign up for 2-3 assignments. You can sign up as a committee member or a chairman. This will also be emailed to you. Jim Mason, Roy, Roxie & Amellia

Roy aka Royboy

Roy is an eleven-year-old purebred Australian Shepard. He was born and breed in Bellevue and we got him when I was working in the Wood River Valley. Roy is a certified Therapy dog and has done regular visits to hospitals and long-term care facilities. He also did agility, scent work, and barn hunts for several years. Roy has been featured in the local paper and TV news and he's sure he has some kind of celebrity status. Now his activities are guarding the backyard and making sure our boat doesn't leave the garage without him.

Roxie aka Rocket ship

Roxie is a rescue that was found as a pup wandering the grade between Bliss and Hagerman. She is an eight-year-old Mini-Australian Shepard mix, and we believe she has been deaf since birth. She got her nickname from sprinting back and forth across the back yard as a puppy as she seldom walked at a slower pace. We communicate with her via hand signals, and she is a graduate of the Canine Good Citizen Training. She has a heart shaped pillow that she carries everywhere, and her favorite activity is walking the canyon rim trail.

Ameillia aka Millie

Ameillia is also a rescue that was found as a puppy behind Albertsons with a broken leg. She is a four- year-old border collie mix that is full of personality. We were foster parents to Millie before deciding to make her part of the family. Millie is also a graduate of the Canine Good Citizen Training and thinks she is the boss of the household. Millie is an absolute clown doing all kinds of goofy things to make us laugh and her favorite activity is bedtime as she loves to cuddle up and take a good nap.
